Sri. Eapen Arakkal : A reference was made to the report of overlapping of schools. May I know whether any application was rejected on the ground of overlapping of schools ?

Sri. Eapen Arakkal : Sir, it was stated by the Hon'ble Minister that a report has been submitted by an Officer in respect of overlapping of schools. May I know, has that officer pointed out any particular locality where a school shall not be sanctioned on the ground of overlaping ?

Sri. Panampilli Govinda Menon : No, that is not what has happened. Each application for opening of schools was considered and enquiry made whether there was any need for a school in a particular locality. When the need was found the application was sanctioned ; otherwise it was not.

Sri. Eapen Arakkal : Has the officer ever reported that in his opinion schools were not over-crowded in a particular area and that therefore there was no need for giving fresh sanction for a school ?
